

# Community Connectors

I don't want to bother anyone but I need help changing a lightbulb.

I wish I had someone to talk to.

I wish I had more visitors.

I feel worried about leaving the house.

I wish someone would knock on my door for a chat.

Give us a call to talk about how the Community Connectors Project can help you or someone you know!

'What matters to you?'

'How can we help you?'

'What have you always wanted to try?'

'Where would you like to go?'
