

# Coronavirus in numbers

Throughout COVID 19 Pandemic Cumberland House Surgery has remained open and provided care for patients via digital solutions as well as face-to-face where required.

We were open during Easter & May Bank Holidays to ensure capacity within the Locality and to relieve pressure from NHS111.

We wanted to share some of the data around what we have been doing in the last 6 months, following some bad national press Primary Care has been subjected to recently \* *figures correct as of 21.9.2020*
